The Assistant Commissioner of Patents and Trade Marks.

PO Box 1450,

ALEXANDRIA,

VA 22313-1450 U.S.A.

Dear Sir/Madam:

In response to the above-noted Office Action kindly amend this application as follows:

IN THE CLAIMS:

Revise claims as shown in attached claims listing.

REMARKS:

35 USC 112 objections.

Applicant thanks the Examiner for these careful and detailed comments. Amendments now made which it is believed deal with all of them.

In particular the wording of the first two paragraphs of claim 2 has been adopted in claim 1, and has been deleted from claim 2. Claim 2 is otherwise unchanged.

It is believed that this amendment clarifies claim 1.

In addition the word "pivotably" has been changed to "pivotally", throughout.

Claim 9 has been cancelled. It was left in the previous claim listing inadvertently.

We regret any inconvenience.

Claim 1 as now revised claims features in the wording of claim 2. This was stated

to be allowable in the office action.

The remaining claims are unamended except with respect to the word "Pivotably". The Examiner was kind enough to indicate that all claims other than Claim were allowable, subject to the revision of claim 1.

It is hoped that Claim 1 as revised is now satisfactory.

It is believed on this basis that the claims are now allowable.

Reconsideration and allowance is earnestly solicited in view of the foregoing. In the event that the Examiner feels that a discussion of the case would be helpful it is respectfully requested that he call the undersigned at the telephone number noted below. It is helpful if the Examiner can quote the attorney docket number and applicant's name.

Yours respectfully,

Claudio D Carosi et Al
